

FALL NEWSLETTER - HEADS UP TO YOUR HEALTH

Rhonda McMann, RPN
Headwaters Health Care Centre

My colleagues and I are so proud to work here and we deeply appreciate all of the incredible support, both financial and emotional, we've received. The donations and heartfelt messages keep us strong and remind us that we are not alone. Our entire community is by our side.

Today, I hope you'll stand with us by making a special gift to Headwaters. Your gift will support our most urgent needs across the Hospital, including equipment for Obstetrics, the Emergency Department, and Diagnostic Imaging. Together, we can make a difference.

Introducing Sarah Mailhot
HHCF Board Chair

Let me introduce myself - I was born and raised in Dufferin - trained by my family in the importance of participating, getting involved and serving throughout our community. Today I am a wife of 20 years to Marc, a mother to four wonderful children (all born at Headwaters!), an entrepreneur, a volunteer and an ambassador for all that is good in our great community. After six years of being a Committee member, a Board member and a Headwaters Innovator,

I now have the privilege of serving as the new Board Chair of Headwaters Health Care Foundation. I am honoured by this new role and am looking forward to giving back to the community that I love and call home.

What is in your Will?

It doesn't matter whether you are leaving a lot or a little. What matters is that your legacy lives on exactly as you wish it to. A gift in your Will has the power to provide the best in health care to those in our community while creating a legacy that will never be forgotten.
